RIPE NCC

# Route Collector News

- RRC13 at Moscow IX online
- RRC08 moved to PAIX
  - Renamed to RRC14 to avoid confusion
  - *Many thanks to ISC!*
- No new RRC planned at this time
  - Total number of RRCs is 13
  - Total number of peers is around 450.

# Other Stuff

- New RIS API implemented
  - Internal code restructure
- IPv6 search was enabled on RIS tools.  
<http://www.ripe.net/projects/ris/tools/index.html>
- Beacon experiment
  - Experiment ended, /20 returned
  - Experiment restarted, using /19
- myASn
  - Currently 550 users

# The Future

- Improve RIS database performance
- Revisit myASn
  - Consider user use cases
  - Integrate into LIR Portal
